

Request for Proposal
Rocky Top Police Department
Firearms to Trade for Vendor Credit

The City of Rocky Top, and the Rocky Top Police Department, anticipate receiving a court order authorizing the disposition of 78 firearms held in the Rocky Top Police Department inventory. The City of Rocky Top is seeking proposals from qualified vendors of law enforcement equipment, to select the most competitive proposal upon receipt of court authorization in compliance with Tennessee Code Annotated § 39-17-1317.

1. Description of Trade-In Items

The Agency intends to trade the firearms listed in Appendix A (the "Trade Inventory") for credit toward the acquisition of new duty firearms, ammunition, body armor, or other specified law enforcement equipment.

- **Current Inventory:** The inventory consists of 78 firearms in the Trade Inventory, which includes rifles, shotguns, revolvers, semiauto handguns, and derringers. The firearms in the Trade Inventory are identified to the best of the Department's ability, but the Department makes no guarantees of accuracy.
- **Condition:** Weapons are sold/traded in "as-is" "where-is" condition. Proponents may schedule an inspection of the inventory at the Agency's headquarters by contacting the Chief of Police. Each firearm is presumed to be operable, but the Department makes no guarantee of operability.

2. Scope of Contractor Services

The selected Vendor will be required to perform the following:

- **Itemized Appraisal:** Provide an individualized, line-item credit value for each firearm listed in the inventory. The value must be valid for a period of 90 days from date of proposal.
- **On-Site Pickup:** Securely package, manifest, and transport all weapons from the Department's property using an insured transport method. The Vendor assumes all liability for the weapons immediately upon taking physical possession.
- **Credit Account Management:** Establish a rolling "Trade-In Credit Account" for the Department. This credit must remain valid for a minimum of **24 months** from the date of weapon transfer.
- **FFL Documentation:** Provide the Agency with an official ATF Form 4473 / Acquisition & Disposition (A&D) record log entry confirming the legal transfer of the firearms out of the Agency's custody.

3. Specifications for Equipment

Trade credits will be applied directly toward the purchase of law enforcement equipment through the chosen vendor:

- **Firearms**
- **Duty ammunition**
- **Training ammunition**
- **Firearms accessories**
- **Law enforcement vehicle equipment**
- **Law enforcement tactical gear**

The submitted proposal must include a summary of the above items available through the vendor.

Proposals must be received by 4:30 p.m. on Wednesday, September 30, 2026, at City Hall, PO Box 66, Rocky Top, TN 37769. Electronically submitted proposals will be accepted at adaugherty@rockytoptn.org.

4. Contact Information

Questions regarding city procedures may be directed to:

Amanda Daugherty
City Recorder, City of Rocky Top
95 S. Main St.
Rocky Top, TN 37769
